## Grade 8 to 9 Recommendation Override Form

**Student's Name:** \_\_\_\_\_

NAMS teachers make recommendations for a student's placement for the following year based on the classroom performance of the student, the grade the student earns, and the student's potential to be successful in the subsequent year's course. Teachers, who see the student every day in the classroom, are best equipped to make this decision.

**If a family doesn't agree with the teacher's recommendation, the student must...**

- Speak with the teacher giving the recommendation about why the recommendation was given. If the student would still like to be placed in a higher level, this form should be completed and returned to the subject area teacher or the NAMS main office **no later than 2:30 p.m. on Friday, April 10 day, April 10, 2020.**

**If a family overrides the teacher's recommendation, the following criteria will apply:**

- The student will not be permitted to drop back down to the level they were recommended for once the class has begun. Student's schedules will not be changed until the end of the Trimester.
- The student will not be allowed to audit the class they override.
